

FABRICATION BULLETIN

2012 Commercial Corian® Fabrication and Installation Training Course

The Commercial Corian® Fabrication and Installation course presented by C.H. Briggs provides valuable training and knowledge on the required fabrication and installation procedures for DuPont™ Corian® as they relate to Commercial installation.

The course will review in detail:

- DuPont™ Corian® fabrication manual
- Private Collection Fabrication Techniques – Methods to reduce seam appearance and ensure customer acceptance
- Illumination Colors and Metallics Fabrication Techniques
- Seams, edge treatments, cutouts, backsplashes, integral bowl mounting, countertop installation, finishing and CTDC 117
- Proper food service fabrication and installation procedures
- Wall cladding
- Various media will be used to further demonstrate the techniques being discussed; this is not a “hands-on” fabrication training course.

Who should attend?

- Commercial Corian® Fabricators

The one day training class led by DuPont™ Certified Instructor, John Womer, is offered at the C.H. Briggs Selection Center located in Telford, PA and the C.H. Briggs Warehouse in Ft. Mill, SC. Class dates are listed on the enclosed registration form. The cost for is \$150 per person and will be invoiced to your company.

Please complete the enclosed registration, select the date you will be attending and fax it to 610.939.1673 or email to Jwomer@chbriggs.com. You will receive notice confirming the acceptance of your reservation.
